Hello Friends:

Please find attached the final summary from the technical workshop.

We consolidated as much information as possible into this document so the Workshop Summary could serve as a stand-alone resource.

For elements that could not be consolidated, we're in the process of posting those materials to EPA's Bay Delta web page (epa.gov/sfbaydelta/activities.html).

We greatly appreciate the wisdom, enthusiasm, and dedication you brought to the workshop to make it successful.

Best Regards, Tim
